Amber House Kit Instructions

Unpack your house and study the contents carefully, relating the parts to the contents list and drawings. In the unlikely event of there being a missing or broken part then please call our customer service number (above) and our staff will ensure that the problem is dealt with promptly.

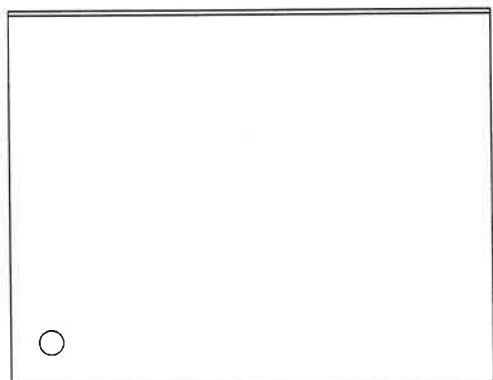

It is not recommended to keep your doll's house in a conservatory - due to the extremes of temperature.

CONSTRUCTION

1

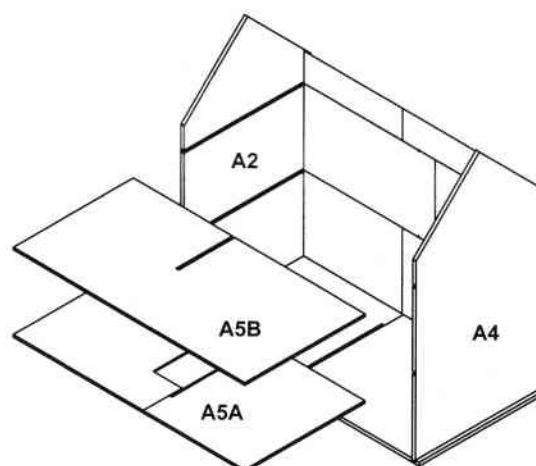

We suggest that you check the contents of your house against the parts list before starting construction. Please note that the build time for this house is up to 6 hours. Please follow the instructions carefully and ensure all screw holes are aligned correctly before fixing with screws. The kit may require two people to fit some of the panels.

Assemble the component parts B1-12 onto A9 Front Panel before constructing.

4

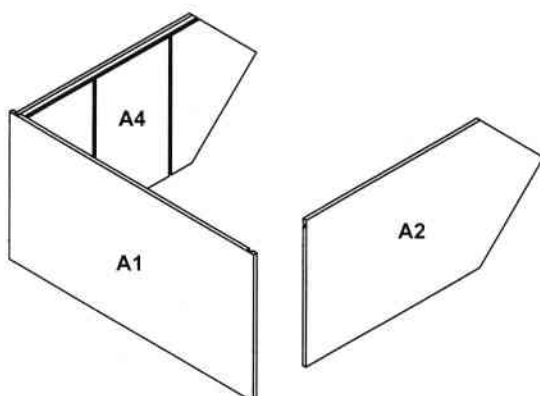

Apply glue and slide **A5A** and **A5B** into position following the layout shown on the diagram below.

2

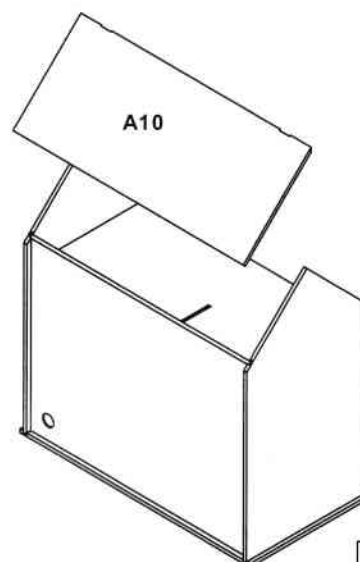

Apply glue and Slide **A2** and **A4** into slots in **A1**.

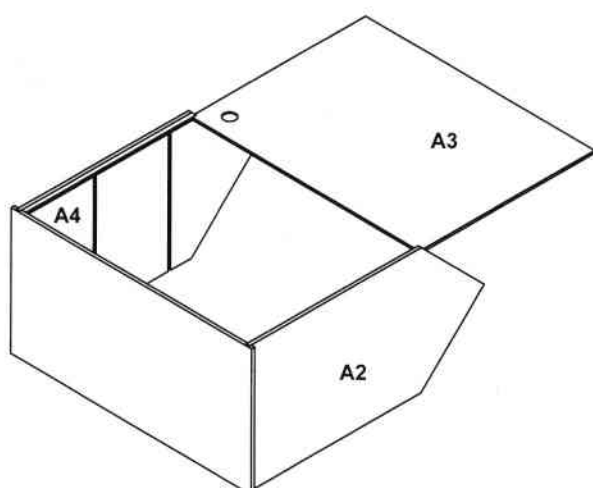

5

Apply glue and locate **A10** as shown.

3

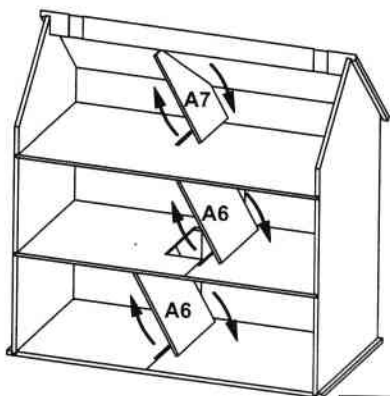

Apply glue and slide **A3** back into position, ensuring the logo badge is in the bottom left hand corner

Continue on the next page.

6

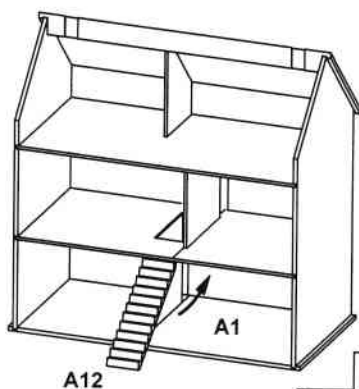

Apply glue and orientate parts **A6** and **A7** as shown, then slide into position.

7

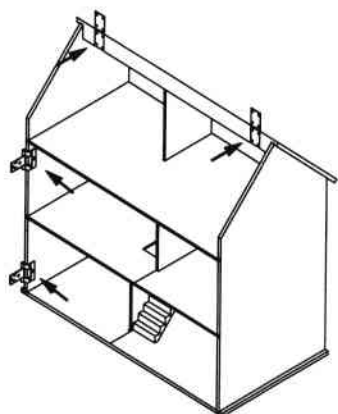

Position **A12** as shown and secure with PVA glue.

8

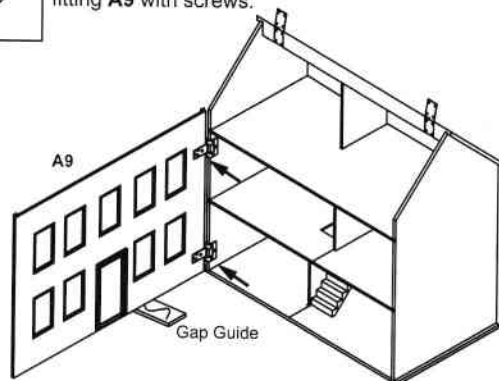

Using screws fix hinges as shown.

9

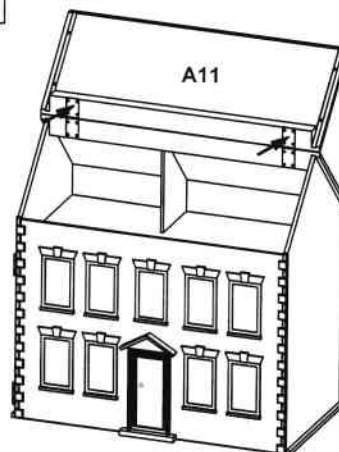

Use the gap guide to assist fitting **A9** with screws.

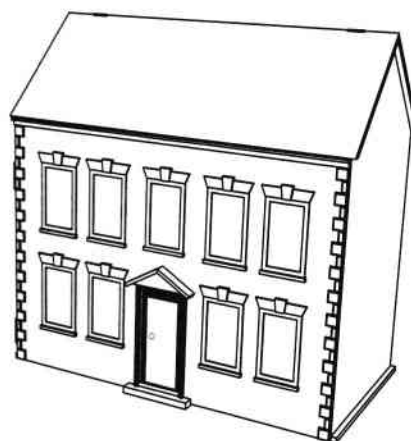

10

Using screws fix **A11** into position as shown.

**CONGRATULATIONS YOU HAVE COMPLETED YOUR AMBER HOUSE
WE HOPE YOU ARE PLEASED WITH THE RESULT**

**You've bought the house,
now get the deeds!**

Now you've got your dolls' house, what about getting the paperwork in order to show it really is yours?

Visit www.dollshouse.co.uk/deeds to fill in your details and print out your deeds there and then.
